**SECTION A: COMPREHENSION [10]**

**Read the following passage carefully and answer the questions below:**

**The Missing Puppy**

It was a bright Saturday morning when Sara decided to take her puppy, Max, to the playground. Max was a small brown puppy with floppy ears and a wagging tail. Sara threw a ball, and Max ran after it happily.

As Max chased the ball behind a bush, a loud noise startled him. He ran off in the opposite direction. Sara called out his name, but Max was nowhere to be seen. She felt worried and began to search around the playground.

Just when she was about to cry, she heard a bark. Max came running from behind a tree with a boy holding his leash.

“Is this your puppy?” the boy asked. “Yes! Thank you so much!” Sara replied with a big smile. The children laughed and played with Max together for the rest of the morning.

---
